

## ABOUT EM NORMANDIE

EM Normandie was established in 1871 as one of the first *Grandes Ecoles*, and has since been considered as a reference among French business schools. It holds international accreditations (EQUIS, AACSB) and its Master in Management (Grande Ecole Program) has been recently ranked 74<sup>th</sup> worldwide by the Financial Times and 71<sup>st</sup> by QS. Over 4 500 students and trainees attend its programs in one of its five campuses located in France (Le Havre, Caen, Paris), in the UK (Oxford) and in Ireland (Dublin). EM Normandie has a portfolio of 16 programs, including 6 taught in English and 2 training institutes. Its mission is to educate tomorrow's managers, as responsible executives prepared to lead change in a cross-cultural environment. EM Normandie promotes the intellectual contributions of its faculty (80 core faculty members) to guarantee success and recognition for students that attended its educational programs.

## POSITION

As part of its development, EM Normandie is currently offering the following full-time position :

**We are looking for an associate/full professor in CSR & energy transition. The professor recruited will take part in setting up a Research and Expertise Chair, which he will then be in charge of. An expertise in the field of energy transition is a big added value.**

## REQUIREMENTS AND DETAILS OF THE POSITION

- PhD in a business/economics-related field
- Proven ability to teach and develop quality courses at different levels
- Proven ability to publish in peer-reviewed journals (French CNRS and FNEGE rankings)
- International experience
- Willingness to contribute to the school life and its development

The successful candidate will create and manage a chair, teach 120 hours per year and conduct research activities under an agreed three-year publication schedule. Salary and conditions are competitive.

## APPLICATION PROCEDURE

Candidates should submit a **cover letter**, a **curriculum vitae** (including a detailed presentation of teaching, research and program management activities), **three representative publications or working papers**, and the **contact information of three referees** by e-mail to : [smaugendre@em-normandie.fr](mailto:smaugendre@em-normandie.fr)
