9th International Workshop « Spatial Econometrics and Statistics »

24-25 June 2010

Orléans, France

The 9th edition of the Spatial Econometrics and Statistics Workshop is organized in Orléans by the LEO (Laboratoire d'Économie d'Orléans) at the Department of Law, Economics and Management of the Université d'Orléans. This edition follows previous workshops held in France: Besançon (2009), Paris (2008), Dijon (2007), Grenoble (2006), Toulouse (2005), Strasbourg (2004), Dijon (2003) and Toulouse (2002).

The aim of the workshop is to bring together economists, econometricians, statisticians, and geographers to discuss the state-of-the-art and future challenges as well as opportunities in the fields of spatial econometrics and statistics. This workshop also aims to reinforce and encourage exchanges between senior and junior researchers involved in spatial statistics and econometrics.

Invited speakers: [Giuseppe Arbia](#) (University G. d'Annunzio, Italy – President of the [Spatial Econometrics Association](#)), [Lung-Fei Lee](#) (Ohio State University, USA) et [James LeSage](#) (Texas State University, USA).

Theoretical and applied studies with methodological advances in spatial econometrics and statistics are welcome. We especially encourage submission by junior researchers.

Completed papers or long abstracts (6 pages) should be submitted electronically in .pdf format to the following address: <http://univ-orleans/leo/SEW2010/submission.html>. Please underline the name of the presenting author. When submitting, also indicate if you are a Ph.D. student or a young researcher (having defended a Ph.D. within the last five years).

Depending on the number and the quality of the submitted communications, a poster session may also be proposed in the program.

Submission deadline: March 1st, 2010

Notification of acceptance of papers: April 5th, 2010

Organizer: Cem Ertur (cem.ertur@univ-orleans.fr)
